

2011 Personal Property Valuation Schedules and Registered Vehicle Uniform Fee Schedules

The Property Tax Division has prepared Standards of Practice to assist in administering Utah property tax laws. The standards present accepted procedures, guidelines, and forms, and are intended to assist county and state officials in the successful administration of the referenced property tax practices.

To view a Standards of Practice document, click on the orange text labels below. The documents are Acrobat PDF files, and are viewed using the Acrobat Reader.

Forms referenced by the standards can be viewed by visiting
